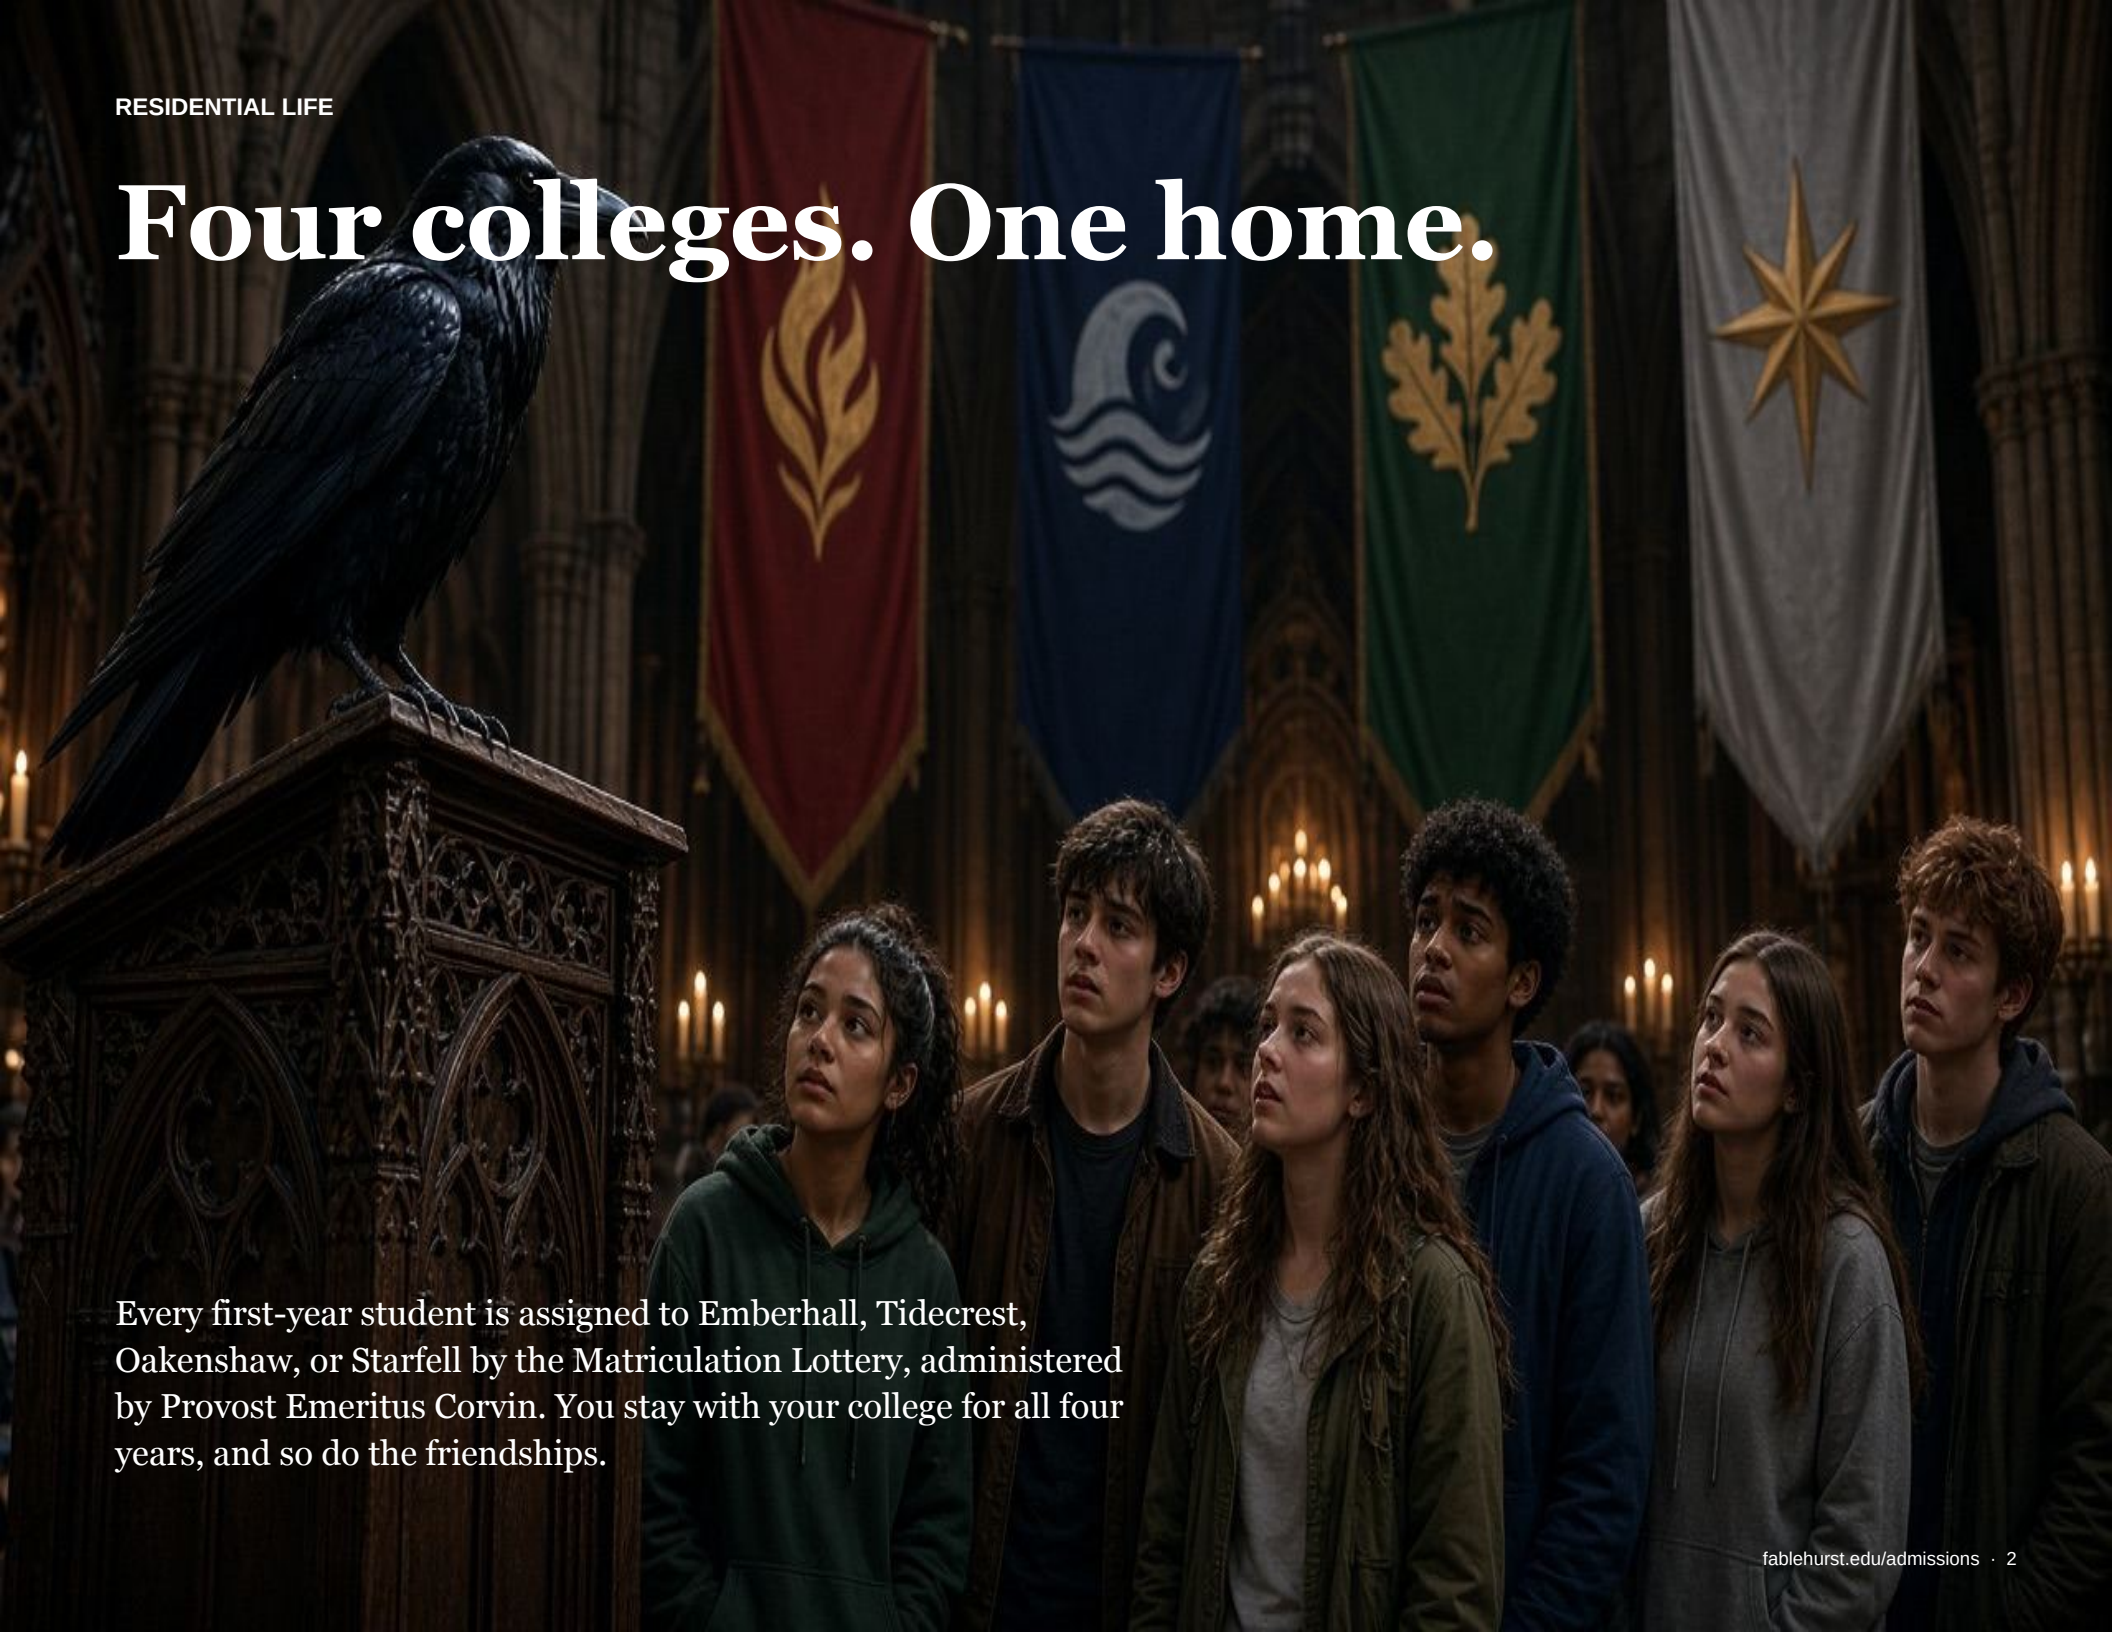
Light from Story

Since 1693, Fablehurst has asked one question of every student who walks through the Gatehouse: what story will you tell? Six thousand four hundred eighty undergraduates, eight schools, and one very old raven are waiting to hear yours.

Four colleges. One home.



Every first-year student is assigned to Emberhall, Tidecrest, Oakenshaw, or Starfell by the Matriculation Lottery, administered by Provost Emeritus Corvin. You stay with your college for all four years, and so do the friendships.

Ranked. Researched. Reagent-ready.

Our School of Alchemical & Potionary Sciences is ranked among the nation's best, and The Arcane Review placed Fablehurst No. 3 among National Universities for Arcane Research in 2026. With a 9:1 student-to-faculty ratio, you will brew alongside the people who wrote the textbook.

Research from your first semester

Undergraduates join faculty labs in their first year through the Lantern Fellows program. Last year 412 students co-authored published work, from probabilistic divination to sustainable dragonfire.

Go Wyverns.

Twenty-two varsity teams compete in the Northeastern Arcane Athletic Conference. Our Skyball team retained the Lantern Cup on September 19, 2026, beating Grimmsworth 210–180 in front of 12,000 fans at Emberfield.

The Great Refectory

Three meals a day under an enchanted ceiling that shows the current weather, with a 20-minute delay. Unlimited meal plans are included in room and board.

Come see for yourself
